EDUCATION

Wake Forest University

Bachelors of Science with Honors, Computer Science
Second Major in Mathematics (BS)
Minor in Chinese Language and Culture
GPA: 3.792 (Dean's List Fall 2023-Spring 2026)

Winston-Salem, NC
August 2023 - May 2027

East China Normal University / CIEE

Summer Accelerated Chinese Language
Gilman Scholarship Recipient

Shanghai, China
June - August 2025

WORK EXPERIENCE

Resource Exchange International

Computer Science Intern

Samarkand International University of Technology
May - June 2026

- Designed and taught freshman-level computer science coursework to a class of 20 students that had a notable positive impact on learning outcomes for the program
- Balanced crossing cultural boundaries in a new country and performing well as both a teacher and classroom assistant

WFU Office of Personal and Career Development

Career Assistant

Wake Forest University
October 2023 - Present

- Managed the Handshake career platform, sourcing over 1,000 and maintaining nearly 50,000 job and internship opportunities available to Wake Forest students
- Facilitated the operations of career development events such as career fairs and employer chats involving 60+ employers and over 1,000 participating students

PROJECTS

CSC 192-H: Honors STEM Incubator

Student - Robotics

Wake Forest University
August 2025 - May 2026

- Explored and developed proficiency in programming robots by experimenting with the relationship between hardware functions and limitations, software and API capabilities, and inter-device communication
- Resolved complex and unexpected challenges through trial-and-error testing and independent and group research

Kirby-Manchester Navigation System

Data Management & Quality Assurance Lead

Wake Forest University - CSC 331
January - May 2026

- Developed, organized, implemented a JSON database hosting a graph with over 600 nodes and edges, including precise location and distances
- Ensured the final project was fit to deploy, and detailed fixes for several bugs and issues

NBA Post-Game Interview Emotion Analysis & Impact

Data Management & ML Developer

Wake Forest University - CSC 375
January - May 2026

- Turned 5,000 YouTube videos into over 1,000 usable data points through combining available APIs with GenAI text analysis
- Tested multiple neural network model architectures and data augmentation techniques to produce models with statistically significant results given limited data

Local Business Consulting

Consultant - Student Outreach

Wake Forest University - CHI 255
January - May 2026

- Analyzed practices from several student organization activities and finding the best course of action to enter into the student organization catering market

- Prepared, rehearsed, and executed a full consulting report and presentation in Chinese, including answering classmate and employee questions

LEADERSHIP & COMMUNITY EXPERIENCE

Chinese Culture Club

Co-Treasurer, Co-Chair of Events, Volunteer

Wake Forest University

August 2024 - Present

- Facilitated organization and execution of 10+ public events per semester, each event serving between 30 and 500 students
- Promoted the study of the Chinese language and culture through student-led discussions, language exchanges, cultural immersion events, and participating in university-wide events

Young Americans for Freedom WFU Chapter

Treasurer

Wake Forest University

August 2024 - Present

- Developed and maintained a budget over multiple financial years, organizing multiple public-facing events such as hosting high-profile speakers on campus and organizing several activism events
- Overcame obstacles related to budgeting and event planning, including working within tight deadlines and improvising and adapting when new issues arise

InterVarsity at Wake Forest

Treasurer, Men's Small Group Leader

Wake Forest University

August 2025 - Present

- Designed and led weekly Bible studies, coordinated outreach and special events to significantly grow attendance
- Attend 2-4 national and regional ministry conferences yearly, integrating concepts taught at these conferences (such as theological studies, student leadership, and public service) into my own life and ministry leadership

Baptist Student Union

Worship Coordinator

Wake Forest University

August 2025 - Present

- Established connections with members of the local community through inviting them to speak on various faith-related topics at weekly meetings
- Contribute to a welcoming environment, assisting in the preparation and operation of weekly meetings, major events, and national/international relief and development work
